

She is now going to take  
them to Iceland. If she  
remember rightly there  
was one or two which  
the Mason permitted  
her to keep - and others  
which he desired to have  
returned - Miss E would  
beg to know when where  
she ought to return -

She hopes to come back  
to London next season  
would that be too distant  
a time for this restoration?  
- If the Mason will be so
