August 8<sup>th</sup>

1830

My Dear Sir,

I had not forgotten  
your flattering wish to have  
the memorial which I have  
sent you of my unworthy  
self, although I have delayed  
sending it so long. If there  
are any engravings of your  
own picture which I saw at  
Brompton, pray show me  
to ask you for one.

Yours truly

R. L. D. King
