

28 Burton Crescent

My dear Sir

In case I should not have the pleasure of finding you at home I write this to say that on the 1st of next month I am to send the rest of my collection of autograph letters and manuscripts to Mr. Prescott, and that if you wish for an inspection of them I shall be delighted to show them to you any morning that you wish to appoint.

I remain

Dear Sir,

very truly yours

Pascual de Gayangos
