WESTBROOK,  
GODALMING.

Dear Mr Mallory

Please dont lock  
the door or we may  
be dreadfully late, my  
post card was not  
meant as a threat but  
only as an apology  
beforehand.

We should have liked  
to have come to dinner  
very much only I am

WESTFOOK  
COVINGTOWN  
afraid we can't possibly  
because of the numbers  
fitting

I do wish things did  
not always come on the  
same day

Yours sincerely  
Ruth Turner
