

Portland Place

2. July

Dear Madam

The enclosed Note which
I have just received from
Lady George Butler, the Lady
of the Member for Devonshire
presents me much by making me
the medium by which to make
known to you her wish for
the pleasure of your acquaintance
I hope it will not prove that Lady
George Butler has over-rated
my influence, - but that you will
kindly meet her desire, and that
you will believe me

Dear Madam
most faithfully yours
I hope you receive good
Accounts from Mr. & Mrs. Bates
