The Holt,
Godalming.

My Dearest

I am sending these
rocks and the belt on
because I think you must
have meant to take
them. I don't remember
that you have packed
any thin rocks.
I think I am getting
on alright with packing

etc I have spent a
good time getting my
china painting things
ready

I have ground up all
the colour I shall want
so as not to have
to take all the paints
which are so heavy &
big.

I hope you will have

had a nice journey & be
comfortably settled in
when you get this.

Your loving

Ruth

Sorry I can't make the
the socks there is not
ink & no written labels
that I can find
