

Cambridge, Oct. 27. 1841

My dear Madame
van de Weyer,

I promised to send
you some prints of Wash-
ington, & Mrs. Washington.
The impressions of paper are
not so good as I could
wish, but they are the best
that I can procure. I
hope they will not be thought
unworthy of a place in
your collection.

Respectfully & truly
yours,

Jared Sparks
