

Dear Sir,

Will you pardon my applying to you
relative to a question in the Constitution of
Belgium. Have Ministers in those States,
Seats in the Chamber ex officio, without
the privilege of voting as in France - Or
must they be elected, as here, by
some Constituency. - A matter I
am about to bring on in Parl^r leaders
this question important to me
with great esteem

Faithfully yours

E. L. Balme
